Collaboration Statement

Mark Watney

February 15, 2021

I collaborated with two other students, Epi Torres (epifanio@princeton.edu) and Leslie Kim (lesliek@princeton.edu) on Problem 2 and Problem 3. In addition, I consulted the Fall 2020 COS 340 lecture slides on probability, the COS 445 cheatsheet, and the solutions to the warmup problem set for Problems 2 and 3.
